

Family time

Step 1

Plan a schedule. Pick a day when everyone has time available.

Step 2

Let each family member pick out what to do for fun. Make sure it is something that everyone can agree on.

Step 3

There are number of ways to have a great time--test everyone's knowledge playing a board game (Family Feud), enjoy the outdoors by visiting an amusement park, museums or going to the movies.

Step 4

It doesn't have to be every weekend. Just make time for each other!!
